

## DISCLAIMER

- 1. Unplugging During Use:** It is essential to always unplug the ice bath before using it. Failure to do so may result in electric shock or other hazards.
- 2. Avoid Using During Thunderstorms:** Do not use the ice bath during thunderstorms or in the presence of lightning
- 3. Children:** Keep the ice bath out of reach of children to prevent accidents or injury. Do not allow children to play with the appliance or its controls. Make sure your ice bath is always covered when not in use.
- 4. Maintenance:** Regularly inspect the ice bath for any signs of damage. Do not attempt to repair the appliance yourself. Avoid using your ice bath if you have oils or creams on your skin as this may affect the quality of the water
- 5. Health and Safety:** Check with your medical practitioner to ensure you do not suffer from any medical condition which could be exacerbated by the use of the ice bath.
- 6. Use of Accessories:** Only use accessories recommended by the manufacturer with the ice bath. Using unauthorized accessories may result in damage to the appliance or pose a safety risk.
- 7. Disclaimer of Liability:** Arctic Ape shall not be liable for any accidents, damages, or injuries resulting from the use of the ice bath or failure to follow the instructions provided. By using the ice bath, you agree to abide by the terms and conditions outlined in this disclaimer.
- 8. Placement:** Arctic Ape Ice Baths are not for outdoor use. The unit needs to be fully covered or placed indoors to avoid potential water damage from rain or weather. Damage that occurs due to the ice bath being placed outdoors will result in Arctic Ape not being liable for any damages
- 9. Timber colouring:** The timber that is used is a natural thermal treated timber that is waterproof. As with any natural timbers, colours may vary and discolouring may occur from sun exposure. This is 100% normal and expected with natural solid timber of this nature.
